Pen holder Agreement

Hereby I commit to be a Pen Holder for *'It's Quine time'*, during the exhibition CMD-P for (Reality) 2079, November 2 - January 19, in Allard Pierson, Oude Turfmarkt 127. The exhibition is a cooperation project of -AGA LAB prints 60 years-, Allard Pierson, Frans Masereel Centrum and curator Sofie Dederen.

ooooo (*) will convocate all the Pen holders on 2nd of November, 7pm, during the Opening Ceremony of the exhibition, in Allard Pierson, to have a meeting with the AxiDraw, the XY plotter who needs a human hand to print. In relation with the Pen holder, the AxiDraw will be remotely activated during the exhibition period.

The Pen holder will engage to be present on an agreed time according to availability during the exhibition period. In exchange for the commitment, ooooo (*) will provide an edition signed by the Pen holder and the AxiDraw.
